

Floor, Window Squeegees, & Scrapers

Heavy Duty Floor Squeegees

Professional cleaning designs that are ideal for use on grouter floors, quarry tile and other hard to dry surfaces. Single or double blade options; black rubber or double foam options are easy to handle and ideal for general purpose cleaning or liquid removal. All Revive Supplies squeegees use tapered handles.

Black neoprene rubber blade set in a galvanized metal frame, ideal for general use in absence of heat, oils or harsh chemicals. Our best selling choice for use in everyday wet cleaning; available in curved or straight frame.
